Dear Sir,

The American publishers, Messrs E. P. Dutton & Co., have sent us on a green circular of "Interlingua". This circular states that E. P. Dutton & Co. of New York are the publishers, and that the book can also be got from G. E. Stechert & Co., of New York. As Messrs Dutton are the publishers, they object to Stechert's (who are importers) name appearing on the circular. In future issues of this circular, perhaps you would be kind enough to remove Stechert's American name and address, leaving on their addresses in the other towns.

Yours faithfully,

GEORGE ROUTLEDGE & SONS, Ltd.
