Præca adypta sequenti modificatione
de mie propositione que es in votatione
de Comitatu Linguistico:

Lingua de Unione adypta omne vocabula
los latino vivente in linguas modernas, et
omne vocabulos que es commune ad
majoritate de linguas principale
de Europa (A. D. F. H. I. P. R.)

Orthographic de vocabulos non latino
es illo de que deriva, sed Comitatu Lin-
guistico de futura pote judicare sue
simplificatione.

Pro paucos vocabulos que defice
in isto vocabulario, illo recurre
ad Latino antiquo.

Cordismente vestro devoto
