My dear Colleague:

In checking up our copy of your

Formulario Mathematico

I find that we have as volume 5 "Editio V, Tome V, de editio completo, Proba de 100 exemplare", published in 1906. On the other hand the final edition of this volume, greatly changed, appeared in 1908. I very much hope that you may be able to supply me with a copy of this last edition. Please send it to me by registered mail with your bill, and I will promptly remit its amount.

I trust you are enjoying good health. It was a great pleasure to me to hear you and to meet you in Toronto last summer.

Cordially yours,

R. C. Archibald
