R. S. X.

To Prof. G. Peano,

Can No 2

Dear Sir,

I wrote to you some weeks ago a letter in Ido to thank you for offering to make me treasurer in England for the *Accademia pro Interlingua* but I found it necessary to decline.

In case this Ido letter may not have reached you I now confirm this in English.

I wish also to ask whether you would allow me to print on the back of our Declaration a brief note about the *Accademia pro Interlingua*

It might run as follows:-

Academy for Interlingua. Since this Declaration has been to some extent circulated it has been pointed out that it contains no reference to the continuous work of the above named, concerning which further information can be obtained from

Prof. G. Peano,

Carrozetto,

Torino,

Italy.

If you would prefer the wording in any respect otherwise I shall be most pleased to know your wishes in the matter.

I enclose 8/- & shall be glad to receive the *Vocabulario* & any future publications. - = 14.68

Yours with many thanks for all that you have already sent me
