Dear Professor Peano,  
Here is an excellent letter  
which I hope you will print in A.P.I. The  
writer wrote on reading "Deephoo" asking  
further information on Interlingua. Mr  
Corio's little leaflet was sent him, when  
by return of post he sent me this letter.  
I think it such an excellent piece of  
propaganda that I hope you will  
print it together with the facts given  
above. Sincerely yours  
E. Howard Parkhurst.

P.S. Please note Terenure not Terenure  
as Mr Corio wrote you!
