Dear Sir,

In accordance with your request, we have pleasure in enclosing a prospectus of WEBSTER'S "NEW INTERNATIONAL DICTIONARY". As you will see, the "NEW INTERNATIONAL" is absolutely NEW FROM COVER TO COVER, and is in fact a rebuilding of the old "INTERNATIONAL" on a larger and more imposing scale.

We would draw particular attention to the two middle pages of the pamphlet sent, which show, in the most practical way, how the "NEW INTERNATIONAL" compares with previous editions; and also to the opinions of well-known authorities which are quoted on pp. 5, 6, 7 & 10.

The "NEW INTERNATIONAL" can be seen at all the leading booksellers, but any bookseller could of course obtain a copy for you. If you are not able to see the Dictionary locally, and wish to examine it, we shall be happy to arrange for you to do so, without committing you in any way to its purchase.

We are, Dear Sir,

Yours faithfully,  
G. BELL AND SONS, LTD.
