R. 29 —

My dear Professor Peano —

I am anxious to get
the Rivista di Matematica, v. 1-8, and the Formulaires
de mathématiques, v. 1-5. I shall appreciate it
greatly if you will tell me if these can still be
got from the publishers and at what price.
With keen appreciation of your great work in logic,
I am

Sincerely yours,
B. B. Bernstein.
