Miss Sylvia Pankhurst,  
126, High Road,  
Woodford Green, Essex.

Dear Miss Pankhurst,

We have today received from Ottawa the enclosed letter dealing with "Latinova". I am not going to answer it until I hear from you in reply to this letter. Would you kindly let me know what you think about the matter? If we are going to publish the "Interlingua" books, I think we ought to turn down "Latinova".

Yours sincerely,

*John Stallybass*
