Mr. l'Ing. G. Canesi
Via Castigliole 1 bis
Torino, Italy.

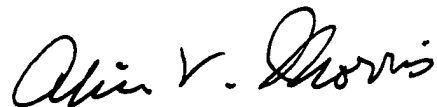

Dear Mr. Canesi:

I have received several requests for the mimeographed paper 'A Program for the Determination of a Standardized International Auxiliary Language' but my supply is exhausted. May I ask you to do me the favor of returning to me the copy which I sent you a few weeks ago, if you still have it ? I would very greatly appreciate this.

Thanking you in advance for your courtesy,

I am,

Sincerely yours,

Mrs. Dave H. Morris
