R. 5. 3. 26, con 26/1

Dear Sir.

Of the "Academia pro Interlingua" we only possess two single issues, one of 1912, and no. 3 of 1925, which were presented to this library at different times.

May I venture to ask whether you could spare a set for this library and would be disposed to be so kind as to present it to us?

Yours faithfully,

R. F. Sharp.

Keeper.

Prof. G. Peano.

Cavalletto.
