

Dear Professor Peano, you must
forgive me for not writing for
you. Indeed I have been
overwhelmed with work and
worry. My little boy is only
fourteen months old and I
have much to do for him
as well as much writing
and many affairs to attend
to. Sometime later I shall
be less occupied and then

Meantime I hope for me publication of the primer.
Sincerely yours E. H. K. B. B. B. B. B.
